Sucks litter up to 5"

GLUTTON COLLECT

- 100% electric powered
- Up to 16 hours of battery life
- Compact, maneuverable, and self-propelled to climb steep sloped & uneven terrain
- 24 M2 Glutton dust filter
- High suction power and variable speed
- Easily mounts curbs up to 8" tall
- Built-in IP67 waterproof charger

Why Use Glutton Collect?

Faster

- Mobile, highly maneuverable and motorized
- Suited for industrial and urban waste
- 63 gallon container to hold more debris
- Wide floor nozzle and 1" narrow nozzle options for further capabilities

Easier

- Wireless, maintenance-free ergonomic handle
- 5" carbon fiber hose for collecting large debris
- Removable, stainless steel anti-clogging grid

Cleaner

- 100% electric, no CO₂ emissions
- 258 ft² (24 M2) dust filter is ISO5011 compliant, trapping 99.96% of particles over 0.5 microns
- Less noise pollution with near silent operation

Safer

- No contact with potential hazards
- Crush prevention safety system
- Puncture proof tires
